Highly motivated and detail-oriented student with a strong passion for mobile application development, particularly in the Flutter framework. Currently pursuing B.Tech in Computer Science at Arya College, with a focus on building innovative and user-friendly mobile applications. Strong problem-solving skills and a collaborative mindset, enabling effective teamwork and efficient project completion.

PROJECTS

EXPENSE TRACKER

- Developed a fully functional expense tracker mobile application using Flutter and Dart programming languages.
- Designed and implemented an intuitive user interface for the app, ensuring a smooth and user-friendly experience.

PORTFOLIO

- Developed a professional portfolio app using Flutter and Dart programming languages to showcase personal projects, skills, and achievements.
- Designed and implemented an attractive and intuitive user interface, focusing on clean layouts, smooth animations, and visually appealing elements.
